

THE WOODLANDS RESORT® TO OPEN SPECTACULAR LAZY RIVER
Guests Will Soon Float Their Cares Away in over 1,000-Feet of Winding Water Fun

THE WOODLANDS, TX (July 14, 2014) - One of the top ten pool destinations for families in North America according to 10Best.com, a division of *USA Today* Travel, is about to elevate its level of interactive aquatic fun and get a whole lot cooler. [The Woodlands Resort®](#) officially announced today its new highly-anticipated lazy river is scheduled to open on July 18, 2014.

The new 1,005-foot lazy river winds its way through the acclaimed Houston area resort's Forest Oasis Waterscape™ surrounded by lush natural foliage and plenty of opportunity to be splashed. As riders enter the river, a majestic mosaic by Houston artist Denise Liebl greets them. The beauty of Herons, Egrets, Kingfishers and other wildlife found in the uninterrupted waterways of The Woodlands is unveiled to riders as they drift amid the serene setting. Guests may also stop during their trip along the lazy river to get out and enjoy a refreshing ride down the resort's new plunge slide, landing in the lazy lagoon pool.

The new lazy river adds to the oasis of fun at the resort, which includes favorites such as two-story spiraling double water slides, lagoon-style pools, waterfalls, underwater music and murals and Puffy's Sprayground™, a synchronized water experience with waterspouts and fountains.

"The addition of the lazy river truly makes our Forest Oasis Waterscape one of the ultimate water experiences of any resort in the nation," said Greg Parsons, General Manager and Vice President of Hospitality for The Woodlands Resort. "Whether guests are looking to enjoy the thrills of racing down our 30-foot waterslides, playing with their little ones in our sprayground or floating their cares away in our new Lazy River, a fun, relaxing and refreshing experience is available for all!"

The addition of the new lazy river is part of The Woodlands Resort's \$60-million expansion and renovation, which also includes the opening of a new guest room wing and high-end steak house and updating of the property's 60,000 square-foot conference center. The Woodlands Resort & Conference Center is owned by a wholly-owned subsidiary of [The Howard Hughes Corporation](#) (NYSE: HHC).
