Welcome to The Woodlands Resort & Conference Center. The Woodlands Resort is nestled in the picturesque forest of The Woodlands just north of Houston, Texas. This enchanting location – combined with exquisite cuisine, professional planning, gracious service and attention to detail – makes The Woodlands Resort the area's favorite location for hosting unforgettable wedding celebrations and events.

Woodlands Online: Best Place for a Woodlands Wedding

“ All night my guests were raving about how beautiful the Resort was and what a great job the entire staff did. The majority of my guests stayed at the Resort and I know they enjoyed their stay, particularly the pool. It was so nice to have such a large event and not have to worry about anything on my special day. I love how all-inclusive the facility is and I appreciated its natural beauty which left little decoration needed. Thank you for everything! ”
