

# South Asian Wedding Package

The Woodlands® Resort is nestled among the picturesque Texas forest, just north of Houston. We have cultivated strong relationships with South Asian vendors, allowing us to offer couples convenient access to anything they may require on their big day. Our various ballrooms can accommodate your pre wedding celebrations including the Sangeet, Mehendi, and Garba. We can easily accommodate a Baraat, with Horse drawn carriage to riding in on elephant in a beautiful, private, secluded entrance without the hassle of closing down roads.
